

**Holyoak v. Holyoak, No. 67490, Order Denying Motion (Unpublished Disposition,
Jan 7, 2016)
SC UNPUB**

Defendant was instructed by the District Court to seek a Huneycutt remand before it would consider a fees request for trying to enforce a judgment.

Supreme Court held that an attorney's fee request is collateral to the issue on Appeal and thus no Motion for Remand was necessary.
