

**Jones v. Jones Jr., No. 66632, Order of Affirmance (Unpublished Disposition July 14, 2016)**  
**SC UNPUB**

\*\*\*

Among other holdings, the Court reasoned that because the district court determined an award of attorney's fees by examining three marital agreements and EDCR 7.60, it did not abuse its discretion in awarding fees, which were both reasonable and actually incurred.
