OTHER INFORMATION AND DISCLOSURES REQUIRED BY RULE OF PROFESSIONAL CONDUCT 1.4:

Estimate of Completed Jury and Bench Trials

In Nevada, there are no juries in Family Law cases. Mr. Willick has been taking such cases to trial since the 1980s, the number of which by now is estimated in the thousands. Most of these have been in Clark County (Las Vegas), in the original District Court, and in the Family Court once it was established in 1992. A much smaller number of cases were taken to trial in Washoe County (Reno) or other Nevada counties. Mr. Willick has participated in hundreds of divorce and pension cases in the trial courts of other States, as a consultant, expert, or as *amicus curia*.

Estimate of Appeals Briefed or Argued

Mr. Willick has been briefing and arguing appeals in the Nevada Supreme Court since 1984, the number of which by now is estimated at over 100, and has briefed and argued a smaller number of appeals in other States and to the Federal Ninth Circuit Court of Appeals, and twice briefed defense of cases appealed to the United States Supreme Court, obtaining denials of Cert. in both. (Many of these decisions, and the briefs that led to them, are posted on the Appeals page of the firm website.) Mr. Willick has participated in dozens of divorce and pension cases in other State and Federal appellate courts, as a consultant, expert, or as *amicus curia*.
